Thank you so much for booking your party with us. We have spent 23+ years sharing many special events with our guests by providing them excellent food and outstanding service. We can't wait to share this same experience with you and your party.

Attached are menus that we have created to ensure that we meet all the expectations that we set for ourselves and you set for your party. We offer three private party rooms that can be arranged to fit your needs.

*The Smoky Mountain Suite* is our largest room and will seat up to 40- 88 guests. Newly renovated, it is equipped with a large flat screen, great for watching sporting events, linking to your laptop, or watching dvds. It is the perfect atmosphere for a business meeting, a reunion, a family gathering, showers, wedding receptions, rehearsal dinner, or any celebration.

*The Leconte Room* is our private room available to seat up to 40 guests. It has many large windows which makes for a very cheery, open feel, yet has door to enclose for privacy. This room also has a door that is adjacent to the Smoky Mountain Suite. The connecting rooms are also an excellent feature for a separate food station, gift area, or cocktail hour.

*The Tennessee Room* is the private room located near our main entrance. This room is ideal for up to 30 guests. It also has a flat screen available for any technology needs. The tables and chairs can be set in any configuration to best suite your needs.

Each room requires a \$25 nonrefundable room booking fee to secure the room. Each room has a two hour time maximum. If needed longer, please discuss with us. Tax and Gratuity will be added to the final bill.

Our trained culinary staff and event coordinator will work with you to plan your event. Our goal is to offer your party exquisite food paired with top notch service and excellent planning.  
Looking forward to serving you very soon.
